

# In the Grove by the Danube

Choreography by Bobbi Bailin

**Music:** Ukrainian folk song *In the Grove at Dunai* by Trio Marenych (Тріо Мареніч) on cd: Best of Trio Marenych  
the music is available to purchase from iTunes

**V-hold**, arms rise slightly toward W-hold as we move in and back to V as we step back

\*pt - point foot diagonally out while turning body

(Can end in hug hold)

*In the Grove by the Danube, the Nightengale chirps  
He calls to his nest, to his family  
I think of where my love is strolling  
There is music, I stand alone; I cry, I grieve for you  
The bass is vibrating/ a fiddle crying  
Please come home  
I wish to fly like a bird to you*
